

2018 National Mock Trial Forms Overview

Included in this packet are forms you will need for the 2018 National High School Mock Trial Championship.

Please note that there are other forms that teams will use for the competition, namely scoring and timekeeping forms, which are included in other handbooks.

Below is a brief explanation of the purpose and use for each form included in this packet.

- **2018 Team Rosters:** Note that there are two separate rosters: one for the Plaintiff and one for the Defense. The forms include a place to indicate the team code, which will be assigned when teams register in Reno. For each round of competition, you will provide copies of your filled out roster to the presiding judge, the scoring judges, and opposing counsel, for a total of 5 copies per round. It's important to bring the correct number of copies with you to the competitions as staff will not have the ability to make photocopies of any of your forms. **We recommend bringing 15 to 20 copies of each roster.**
- **2018 Star Witness & Attorney Certificates:** During each round of competition, team members choose who they think was the best witness and attorney from the opposing team and present them with a certificate at the end of the competition round. Copies of the forms will be included in the team's registration packet. Teams are responsible for ensuring they bring the certificates with them to each round of competition.
- **2018 Photo & Video Release Form:** During the course of the competition, staff and sometimes news media will take photos and/or videos of students participating in the competition. This signed form signifies that the Nevada Bar Foundation, State Bar of Nevada and the National High School Mock Trial Championship, Inc. have been given permission to use photographs and/or videos taken at any of the 2018 competition events for educational and/or promotional materials and publications. **Each student (and a parent/guardian for students under 18) must fill out and return this form.**
- **The Larry Bakko Professionalism & Civility Award:** The nomination ballot will be included in your team's registration packet and will need to be filled out and returned to your Presiding Judge at the end of the 4th round of competition. Criteria for this award are described in full on the information sheet included with the ballot.
